

AYSO REGION 75 - Waiting List Policy for Players
(rev. 7/10/2010)

After Registration is closed (July 10, 2010) by the Regional Registrar, the following Guidelines will be followed for placement of all players who wish to sign up and play in Region 75. Any player who wishes to sign up after registration is closed is considered a 'Waiting List Player'.

The Registrar will contact Waiting List players when an opening exists. Regular registration fees will apply to all Waiting List players. Fees must be paid in full in order to register any Waiting List Player. Fees will only be collected when a spot becomes available and the player is registered.

No pre-payment will be accepted. Waiting List Players must pay by Cash or Check. Credit cards will not be accepted for any Waiting List players.

The Regional Registrar or designee shall establish and maintain the Waiting List. The Registrar will make sure that the Waiting List players are in numerical order. And that only the Registrar will know of the order of players on the Waiting List. No one else will know the order.

Players will be placed on a first come, first serve basis. The placement of a player on a team from the Waiting List will be determined by the Registrar.

A coach must accept players assigned from the Waiting List. If a player drops before the Regular Season, there is no guarantee that there will be a replacement player added from the Waiting List. Players are still on the team roster until the Registrar approves the completed Drop Player Form.

The player's parents, or guardians, the coach and Division Coordinator must fill out and complete this form and submit the completed form to the Registrar.

(This form is available from any Division Coordinator) The Registrar will then notify the Division Coordinator when the drop has completed and provide the Division Coordinator with a Waiting List player. The Registrar will then forward the Drop Form to Regional Treasurer for processing any refunds.

A child's name will remain on the Waiting List until Registrar is contacted by the child's parents to remove their child's name from the Waiting List. The Waiting List will be in effect through September 30, 2010. Children on the Waiting List after that time may be advised they will not be placed on a team.

Only the Registrar, or his/her designee, can register Waiting List players.

Coaches may not recruit in any manner players for their teams. Any team playing with an unassigned player will forfeit the game. The coach will be subject to disciplinary action including being removed from their coaching duties in Region 75.

Other than the Registrar, registration decisions can only be made by the Regional Commissioner.

All Waiting List players will be assigned as per these guidelines only.
