No personal checks.**

Who can register for Spring Select and who can register for Spring Recreational play?

Registration for Spring Select is open to current registered players from the fall 2016 season only. For Spring Select you must first be contacted by the head coach of your division asking to be on his or her team if you accept they will email you a player request form. See below for Returning players and New Players.

Registration for Spring Recreational play; is open to current registered players from the fall 2016 and new applicants. **Spring Recreational play;** you must first be contacted by the head coach of your division asking to be on his or her team. See below for New Players

Where can registration be completed?

Registration can be completed online only at www.eayso.org See the section below for *Returning players or New Players.*

Returning players, players that played in the current fall 2016 season, do the following

STEP #1: Login to www.eayso.org (where you registered for the fall 2016 season)

On the bottom left click **Sign up for Other Programs**

read the pop-up box message and click ok

Select the player and click Signup link under the Sign up for Spring column.

STEP #2: Go to www.ayso75.org Under **Registration** click <**Spring 2017 Player List**> Complete the document.

IMPORTANT: Spring Select means that during this secondary program the coaches select which players they would like in their team. This is different from our fall core program. The spring is coach driven. When you complete **STEP #2**, coaches will then see the players on the list. If they choose your player the coach will email you a form which you **MUST** complete and bring it to the next registration. If you do not receive this form from a coach it's because their team is full, they selected a different player or there were not enough volunteer coaches signed up for the spring program. We can't add players without coaches.

New players, create a login account and complete the application process. Be sure to print out the first page of the application along with a copy of the player's birth certificate to the field in February.

When making your payment at the field be sure to include a two (2) copies (printed out) on the first page of the registration form ONLY! Please follow the instructions on the e-ayso site to properly print out the form.

Once again,

1 You sign up in e-ayso

2 Print out (2) two copies of the first page of the registration form ONLY!

3 Go to www.ayso75.org, Under Registration click Spring (Player List). You MUST complete this form in its entirety so the coaches can contact you if a spot is available on their team.

4. Wait for a coach to response to you. If you are accepted the coach will send you a form which you MUST completely fill out on top and bottom of the form.

5. Then and only then, do you come to the field to register with your two copies of page one only, of the registration form along with the form sent to you by the coach along with the registration fees. Only cash, money orders and credit card (MasterCard, Visa or Discover only, no American Express) will be accepted. NO checks please.

6. Once a coach selects your child you will be told when and where to pay the registration fee. Please keep in mind that no child is to practice with their team until the parent pays the fee and receives a receipt from the registrar or treasurer. Any question please contact Randy your registrar at registrar@ayso75.org.
